BEAUTIFUL LIVES PROJECT

2022 OLNEY GOLF CLASSIC

Power pass ABLE

OUR MISSION

Beautiful Lives Project gives people with disabilities and special needs the opportunity to actively participate in activities and events that may not have been available to them previously due to physical or facility limitations.

ABOUT US

Beautiful Lives Project creates immersive events aimed at defeating isolation within the disabled community and sparking deeper conversations about the value of integrating individuals with disabilities into the workforce. We work with companies, sports teams, and community organizations to host these custom events to help to defeat isolation today, break down social biases tomorrow, and generate long-term actions that will create a better quality of life for people with disabilities and special needs in the future. We know there is an amazing feeling that comes with helping people realize a goal. We believe that when we stop focusing on disabilities and abilities, we start to see what we're ABLE to achieve and what we're ABLE to offer someone else. We are all ABLE to power what's possABLE today and we are all capABLE of improving the quality of life for future generations.

EIN 82-0840058

The Beautiful Lives Project is a registered 501c(3) non-profit. Our organization depends on generous donors, like you, to move our mission forward. By using our EIN number listed above, your donation to Beautiful Lives Project is tax-exempt to the full extent of the law.
